Dear David,

We had just received an insurance quote from our current Insurance brokers with regards to Care Optics in Barking.

There was a substantial increase in premium with a lot more conditions attached.

We decided to approach David at Coversure.

David took the time to understand our specific needs and came back to us with a far better policy cover at a reduced premium to what we were being quoted.

We took David's advice and the cover was put in place immediately without any fuss.

David we would like to thank you for an excellent service, and we would have no hesitation in recommending our friends and business colleague to Coversure.

Thanking you,

Parag Joshi
Care Optics.
